## GO GRAPESEED GREEN

The Grapeseed Company is committed to formulating premium vinotherapy skin care and natural dog care products using certified organic ingredients. All fragrance ingredients are naturally extracted by steam distillation or expression, and oils are expeller-pressed instead of solvent extracted. The colors come from botanical ingredients like grape skins and seeds. All packaging is recyclable, re-usable or made from post-consumer goods. Our wine bar labels are embedded with wildflower seeds and meant to be planted in your garden! All products are paraben, sulfate and phthalate free.

company

*botanical beauty from wine*

Crafted with the finest expeller pressed grape seed oil, a natural byproduct of winemaking.

Rich in antioxidants, vitamins & resveratrol, grape seeds fight free radical damage, the signs of aging, and help heal skin exposed to natural elements.

Experience our delicious hand-blended aromas formulated with pure essential oils, fruit & plant essences...

*a true delight to the senses!*

## SCENTS

**fresh cut herbs** lavender, rosemary & various mints mingle creating an uplifting yet soothing blend known to relieve headaches, anxiety, promote circulation and aid in muscle soreness.

**sunshine day** sweet, juicy orange & vanilla intertwine creating a nourishing blend great for evening skin tone, scars & stretch marks, this blend is known for easing stress and bringing on feelings of comfort.

**lemon cake** a yummy, skin nourishing concoction with antibacterial & antimicrobial benefits. delicious lemon, almond and vanilla oils are packed with vitamins & antioxidants.

**surf** one whiff will take you to the beach... notes of fresh lime, coconut and clean sweet mint. this powerful blend will help disinfect, clarify, nourish & protect.

**vanilla almond cinnamon** a comforting jumble of delicious scents that smell good enough to eat. formulated to purify the senses, ease stress, promote circulation and deep relaxation.

**pink grapefruit ginger** a dose of citrusy vitamin C with white tea deliver anti-oxidants to the skin while ginger, known in ancient times as an aphrodisiac, warms the senses and soothes the soul!

**mojito man** fresh mint combined with citrus creates a clarifying, anti-inflammatory, antimicrobial experience. just like the drink minus the umbrella!
